OGLE COUNTY HISTORY

What is now Ogle County was once a part of the Northwest Territory.

The Hopewell Mound Builders were in the Ogle County area sometime between 300 B.C. to 500 A.D..

Our modern Indians occupied Ogle County starting in the 1600's to the 1800's. Blackhawk was born in 1767 and died in 1838, six years after the Blackhawk War.

In 1634, the French Fur Traders were the first white men to set foot on what is now Ogle County.

By the Treaty of Paris in 1763 the French possession in Illinois passed to the British.

In 1778, George Rogers Clark and his "Kentucky Long Knives" captured Kaskaskia, Illinois and we were under the control of the State of Virginia.

In 1784, Virginia ceded the Northwest Territory which included Ohio, Indiana, Illinois, Michigan, Wisconsin and a portion of Minnesota to the Federal Union.

Illinois was admitted to the Federal Union as the 21st State on December 3, 1818.

The Legislature formed Ogle County in 1836, which was at that time a part of Jo Daviess County. The name, Ogle, was suggested by Thomas Ford in memory of Captain Joseph Ogle, who distinguished himself for his courage and coolness during the Revolutionary War.

The first session of the Ogle County Commissioners' Court was held on January 3, 1837, and Oregon was chosen to be the County Seat. Plans for a Courthouse were adopted on December 8, 1838, and in 1841, the building was completed. "The Prairie Bandits" burned the Courthouse before it could be occupied. The present Courthouse was completed in 1891, at a total cost of \$106,951.46 for the building and equipment.

In December of 1839, the County Board ordered Oregon City to be called Florence; however, in 1843 it was renamed Oregon. Names of other towns were once different than those used today: Rochelle was called Lane; Byron was called Bloomingville; Polo was called Buffalo Grove and St. Mary's.

On November 6, 1849, the electorate voted for Township Organization and the Commissioner's Court appointed three men to divide the county into Townships. They recommended dividing Ogle County into 19 Townships, with an area of 757 square miles. Today we have 24 Townships in Ogle County.

The first special meeting of the Board of Supervisors was held November 11, 1850. In 1972, in compliance with the State Legislature's decision on reapportionment, Ogle County held its first election to elect County Board members. This replaced the system whereby the Township Supervisors served as the County Board. Through reapportionment in 2010, the county was divided into eight districts with three members from each district. A Township Supervisor may also be a County Board member, but not necessarily.

County Building Projects

A renovation of the interior of the Courthouse was completed in 1984, at a cost of \$1,500,000.00. The Courthouse was renovated again in July of 2009, with the discovery of "Memorial Hall" on the third floor.

The Ogle County Judicial Center was built in 2005 and dedicated on August 20, 2005. The Judicial Center houses the Probation Department, States Attorney Office, Circuit Clerk's Office and courts for Ogle County.

The Ogle County Public Safety Complex which houses the Sheriff, Coroner and 9-1-1 Departments was completed in 2015.

The Emergency Operations Center (EOC) in Rochelle houses a satellite office of the Ogle County Health Department and Ogle County Probation Department was remodeled in 2017.

In 2019, construction began on the Judicial Center Annex which will replace the Jail built in the late 1960's. The Ogle County Judicial Center Annex is a 42,000 square foot, 154 bed facility that includes a sally port. In 2023, a solar project was completed.
